Laminate Worktop Collection

 Wilsonart®

A versatile collection of high pressure laminate worktops. An extensive assortment of designs from classic to contemporary and from large scale marbles to rustic timbers. From the tried and tested postformed radius worktops to contemporary square edged, our collection offers endless opportunities.

Range overview

- Made from high pressure laminate a highly durable and hygienic surface material perfect for the kitchen environment
- A selection of 31 decors across 22mm, 28mm and 38mm thicknesses.
- Matching upstands and splashbacks available to complete the kitchen design
- All worktops are manufactured to British standards and conform to EN438 through ISO 9001:2008 Business management systems
- All raw materials come from responsibly managed and sustainable sources
- Products are manufactured to the highest standards and tested against FIRA GOLD Product certification

Product specification

Postformed

19 decors available in a 6mm postformed radius, complete with an under edge non-degradable water resistant seal providing full protection from water ingress.

- Substrate P2 E1 chipboard
- High pressure laminate surface
- Postformed edge
- PUR under-edge water resistant seal
- Moisture resistant barrier on reverse

Square edge

17 decors available in a modern square edge profile, providing a streamlined appearance and the opportunity to incorporate curves into the kitchen design.

- Substrate P2 E1 chipboard
- High pressure laminate surface
- Edging; HPL/ABS
- Moisture resistant barrier on reverse

Worktop accessories

Splashbacks cover the full wall from worktop to cabinet creating a highly effective design statement. The perfect alternative to tiles.

Upstands are an affordable and effective way to complete the worktop installation. Continuing the design from worktop to wall with a shallow height border as shown on the front cover.
